

Speaking activity: pair work.

In pairs ask and answer questions about your future dream job. If you like, you can use the following structure support:

Q: Which profession would you like to choose when you grow up? / In which kind of industry would you like to work?

A: I would like to become a...

Q: Have you already thought of a name?

A: I think my company could be called...

Q: Do you already have some ideas for a company logo? Do you have in mind a specific color, a message or a mission?

A: In my logo I would like to use [name of the color] because it gives me a sense of...
I would like to use [straight/bold/curved lines] to give an idea of...
