

# Musical instrument classification 1

Instrument **families** of the  
Orchestra

We can

*categorize*

musical instruments in different ways.

As we do for **PLANTS**,

or for **Animals**,

We can categorize instruments in  
Orchestral **families**

# 1) **WOODWINDS**

most were originally made from **wood**

all produce sound by **blowing**.

Flute

Oboe

Clarinet

Bassoon

Saxophone

## 2) **BRASS**

most were originally made from **brass**.

also produce sound by **blowing**.

Trumpet

French Horn

Trombone

Tuba

### 3) **PERCUSSION**

these instruments are made from different **materials**

and, to produce sound, involve a physical impact (**percussion**).

Snare drum

Bass drum

Timpani

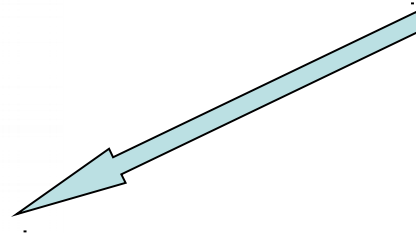

Xilophone

Cymbals

## 4) **STRINGS**

these instruments have **strings**

and, can be played using a **bow**

Violin

Viola

Cello

Double bass
